

Hohenzollernring 56, Münster

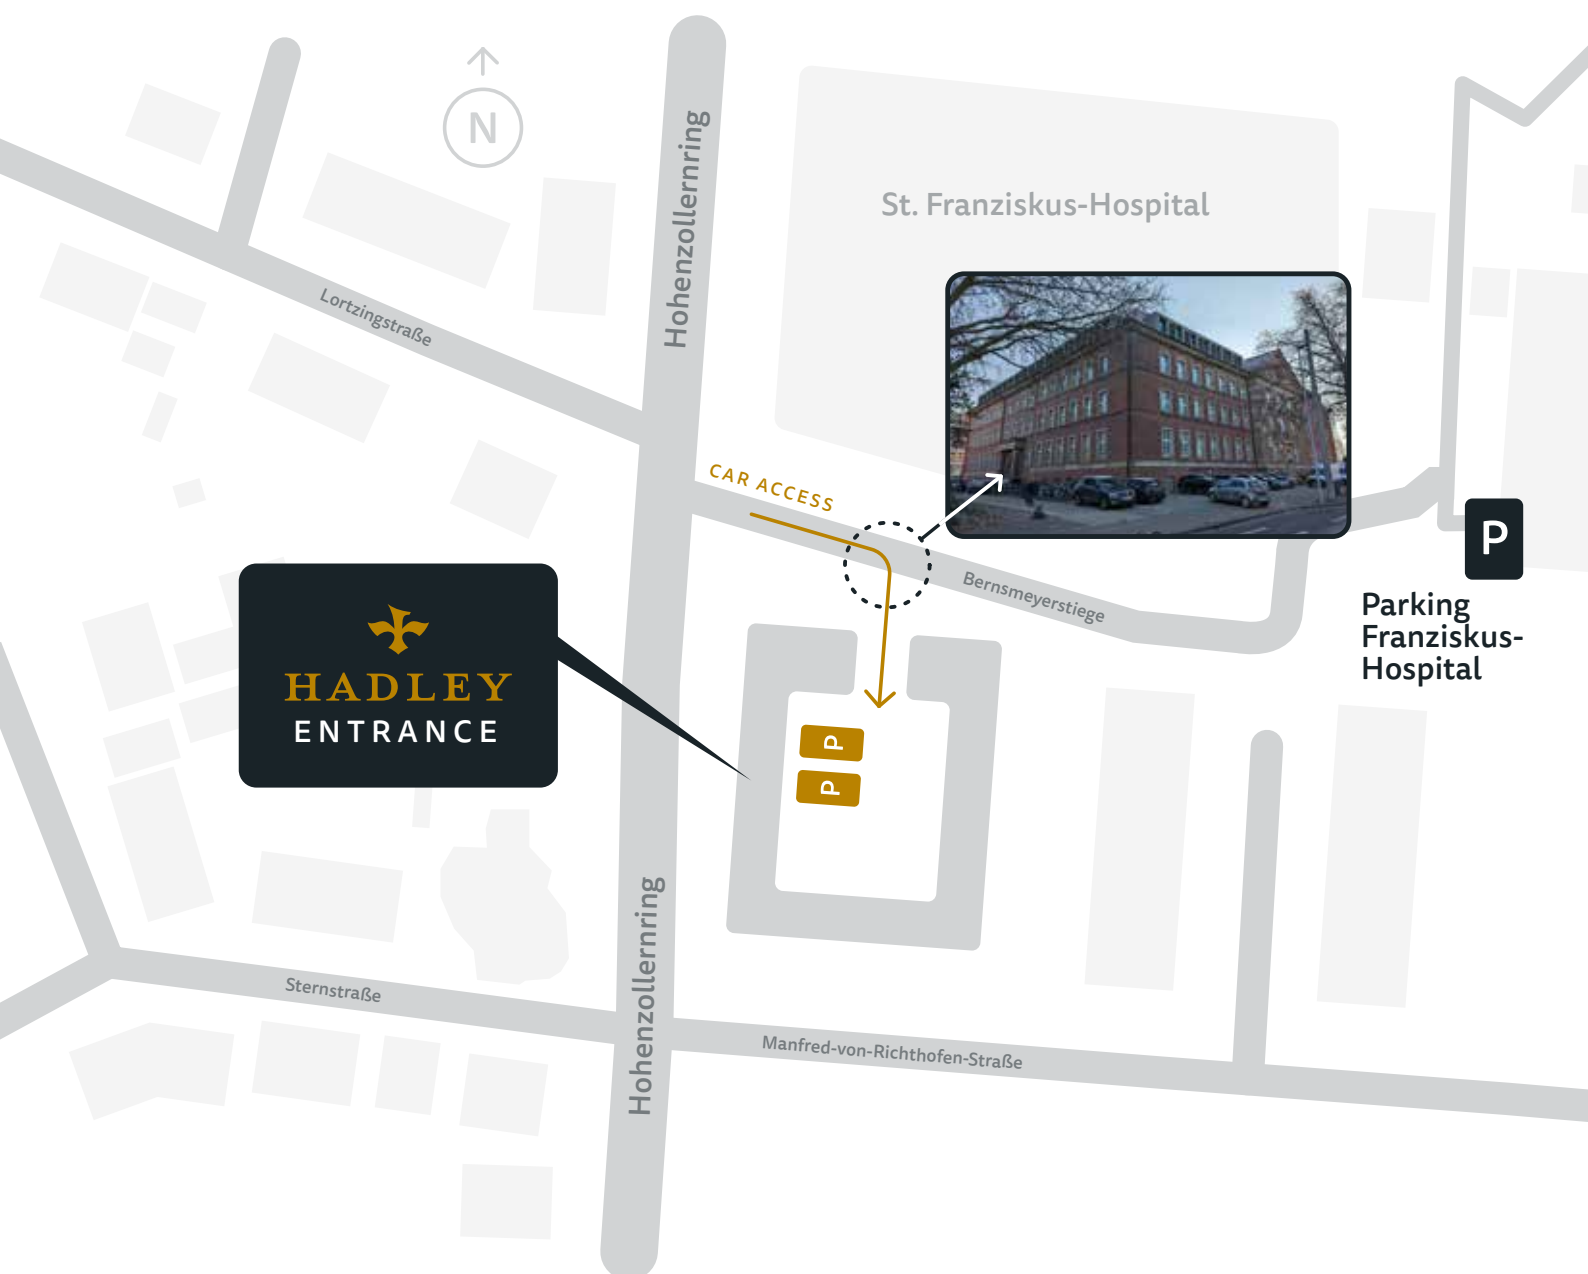

How to find us

→ direct navigation

Please turn off Hohenzollernring into Bernsmeyerstiege next to the Franziskus Hospital.
Then immediately turn right into the driveway and pass through the gate into the courtyard.
There you will find two parking spaces marked HADLEY.

You can enter the building directly from the courtyard. Right next to our HADLEY parking spaces, there is an automatic door that leads to the elevator, allowing you barrier-free access to the 3rd floor.
If our client parking spaces in the courtyard are occupied, you will find public parking options in the nearby parking garage of the Franziskus Hospital.
